RE: Multicultural Unity Festival—Thanks to our Sponsors & Performers

Dear Juan:

The dust is finally settling from the November General Election, and we can now take the time to reflect on the many people and entities that gave of their time, talents, and resources to help the Harris County Democratic Party maintain a presence in Harris County and Texas politics.

For your very generous donation of time and talent at the Multicultural Unity Festival, we offer our most sincere thanks. **Your beautiful voice and heartfelt rendition of the songs was a highlight of the show for many of the attendees.** The Festival will now have a solid foundation on which to build—thanks for your support.

As you know, the Festival provided a venue to spotlight the cultural diversity represented by the Democratic Party and we are proud of the work of our Sponsors, Performers, Volunteers, and Activists. You can be proud of the part you played in this very successful event.

Thanks, again, for your participation and support.

Sincerely,

A handwritten signature in cursive script that reads "Gerald Birnberg".
